

CASE DIGEST: *USDA, Agric. Mktg. Serv.*, 72 FLRA 156 (2021)
(Chairman DuBester concurring)

In this case, the Authority's Office of Case Intake and Publication dismissed the Agency's exceptions for failing to respond to a show-cause order. The Authority denied the Agency's motion for reconsideration of the Authority's dismissal order because the Agency was responsible for providing the Authority with the correct mailing address for service and the Agency could still receive mail amid COVID-19.

Chairman DuBester concurred with the order denying the Agency's motion for reconsideration.
