

**CASE DIGEST:**     *U.S. Dep't of the Army, White Sands Missile Range*, 72 FLRA 435  
(2021) (Chairman DuBester concurring)

The Authority determined that the Agency's exceptions were either untimely, interlocutory, or barred by the Authority's Regulations.

Chairman DuBester concurred. In his view, the Agency's interlocutory exceptions did not warrant review because none raised a plausible jurisdictional defect, the resolution of which would have advanced the ultimate disposition of the case.

This case digest is a summary of a decision issued by the Federal Labor Relations Authority, with a short description of the issues and facts of the case. Descriptions contained in this case digest are for informational purposes only, do not constitute legal precedent, and are not intended to be a substitute for the opinion of the Authority.
