

**CASE DIGEST:** *Joseph Anthony Reyna*, 74 FLRA 394 (2026)

The Petitioner filed a request for a general statement of policy or guidance regarding whether individuals who are neither federal employees nor representatives of such employees may, in certain circumstances, be covered under the Federal Service Labor-Management Relations Statute. Because the Petitioner's request did not meet the Authority's standards governing the issuance of general statements of policy or guidance, the Authority denied the request.
