FOR IMMEDIATE RELEASE
December 12, 2025

The Washington Regional Office of the FLRA Announces Upcoming 'WRO Wednesdays' Training Schedule for January and February 2026

The Washington Regional Office of the FLRA's Office of the General Counsel is pleased to announce our [upcoming training schedule](#) for January and February 2026. "Training is an important part of the FLRA's mission, and we are excited to provide our parties with opportunities to learn more about the Federal Service Labor-Management Relations Statute," said Jessica Bartlett, Washington Regional Director. Both union and management representatives are encouraged to attend. Each training will focus on the legal standards, defenses, and best practices for common unfair labor practices. Attorneys from the Washington Regional Office will present each training.

Course descriptions and registration can be found at: www.flra.gov/resources-training

###

The FLRA administers the labor-management relations program for 2.1 million non-Postal federal employees worldwide, approximately 1.2 million of whom are represented in 2,200 bargaining units. It is charged with providing leadership in establishing policies and guidance related to federal sector labor-management relations and with resolving disputes under, and ensuring compliance with, the Federal Service Labor-Management Relations Statute.
