NOTICE OF COMPLIANCE

Presidential Memorandum: Radical Transparency About Wasteful Spending

In accordance with the guidance provided in the [Presidential Memorandum: Radical Transparency About Wasteful Spending](#) of February 18, 2025, the Federal Labor Relations Authority (FLRA) has reviewed all current obligations for agency programs and contracts and has determined that the agency is in full compliance with all the President's Executive Orders and Memoranda.

The FLRA will continuously monitor and report, any program or contract terminated or cancelled per the guidance provided in the Memorandum. The FLRA will take all appropriate actions to make public, to the maximum extent permitted by law, the complete details of every terminated program, cancelled contract, terminated grant, or any other discontinued obligation of Federal funds. The FLRA shall ensure that such publication occurs in accordance with all applicable laws, regulations, and the terms and conditions of the underlying contract, grant, or other award.

If additional information is needed, please contact Michael Jeffries, FLRA Executive Director.
