## FLRA PROVIDES NOTICE OF PUBLICATION OF THE "POCKET STATUTE"

The [Federal Labor Relations Authority](http://www.flra.gov) (FLRA) is pleased to announce that it has prepared for publication by the Government Printing Office (GPO) – and for purchase by other Federal agencies – the "Pocket Statute." The Pocket Statute is the 3" x 5" soft-bound version of the Federal Service Labor-Management Relations Statute (Statute), and also includes the Back Pay Act. As the FLRA's website provides a printable version of the Pocket Statute at [www.flra.gov/statute](http://www.flra.gov/statute), it no longer distributes large quantities of the soft-bound Pocket Statute to customers. We are pleased to now also offer FLRA customers the opportunity to purchase the Pocket Statute in bulk directly from GPO for a limited time.

The Pocket Statute, FLRA Publication No. 1071A (November 2008 edition), may be obtained by Federal agencies on a pro-rated cost basis by "riding" the FLRA Requisition Number listed below. Agency rider requisitions ([Standard Form 1](#)) should be submitted to [GPO](#) no later than **September 18, 2012**. Agencies are urged to submit requisitions to GPO within this time limit because GPO's Superintendent of Documents will not stock this publication, and it will not be available for purchase from the FLRA. GPO may be reached at: (202) 512-1800.

The FLRA administers the labor-management relations program for 2.1 million non-Postal Federal employees worldwide, approximately 1.2 million of whom are represented in 2,200 bargaining units. It is charged with providing leadership in establishing policies and guidance related to Federal sector labor-management relations and with resolving disputes under, and ensuring compliance with, the Statute.
