FOR IMMEDIATE RELEASE

## **FLRA PROVIDES NOTICE OF PUBLICATION OF ITS DECISIONS IN BOUND VOLUME No. 66**

The Federal Labor Relations Authority (FLRA) is pleased to announce that it has prepared for publication by the Government Printing Office (GPO) its 66th bound volume of decisions. Publishing decisions in bound volumes is yet another way in which the FLRA makes Authority case law available to its customers. Authority decisions, decisions of the Federal Service Impasses Panel, and decisions of the Office of Administrative Law Judges are also available – and searchable – soon after issuance on the FLRA’s decisions page at: [www.flra.gov/decisions](http://www.flra.gov/decisions). As the FLRA’s website provides current, up-to-date access to decisions, and the FLRA continues to publish decisions in bound volumes, it no longer issues Reports of Case Decisions.

The latest publication, entitled *Decisions of the Federal Labor Relations Authority, Volume 66*, which includes decisions that issued during the period between August 1, 2011 and September 30, 2012, may be obtained by Federal agencies on a pro-rated cost basis by “riding” the FLRA Requisition Number listed below. Agency rider requisitions ([Standard Form 1](#)) should be submitted to [GPO](#) no later than **November 9, 2012**. Agencies are urged to submit requisitions to GPO because the Superintendent of Documents will not stock large quantities of the publications, and the publications will not be available for purchase from the FLRA. Other organizations and individuals may order the publications directly from the Superintendent of Documents, GPO, when they become available. GPO may be reached at: (202) 512-1800. In addition, some earlier volumes of *Decisions of the Federal Labor Relations Authority* remain available for purchase through GPO’s Bookstore at: <http://bookstore.gpo.gov>.

The FLRA administers the labor-management relations program for 2.1 million non-Postal Federal employees worldwide, approximately 1.2 million of whom are represented in 2,200 bargaining units. It is charged with providing leadership in establishing policies and guidance related to Federal sector labor-management relations and with resolving disputes under, and ensuring compliance with, the Federal Service Labor-Management Relations Statute.
